Agenda

- Today: Review Kahoot!

Final Exam Logistics Overview

- 1.5 Hours Long from 3:00-4:30pm on Monday, 5/11
- Similar format compared to the midterm: Think standalone short answer/analysis questions and a couple/few longer problems with multiple parts
- Content will cover the entire class, but with a slight focus on the post-midterm content
- 1 page 2-sided cheat sheet allowed – either typed or handwritten!

Kahoot Time!

Some Takeaways from Macro

- Macro gives us a great toolkit to understand how the economy around us works and how leaders make difficult decisions that affect our daily lives
- However, any study of macro is incomplete without an understanding of the history, politics, and blind spots that affect the discipline
- Interested in the policy/history side of things? Take Econ 130, 131, and 134
- Interested in banking and monetary policy? Take Econ 136 or 165
- Interested in trade? Take Econ 181

- Thanks for a great semester! You are all going to kill it on the final!
